Discussion questions for the book reports:

1. Why did you choose this book?
2. What did you know about the book before you read it?
3. What age or level learner is the book suitable for?
4. Are there any difficult words or sentences in the book?
5. What kind of language (vocabulary and grammar) does the book teach?
6. What questions could you ask about the book before a learner reads it?
7. What activities and games could you do while reading or after reading?
8. Which book reports did you choose to complete? Why?
9. What did you like/dislike about the book reports?
10. Would you use these book reports with your students? How and why?

You do not need to write answers to these questions. These are questions for you to consider as we discuss the book reports every week.
