

## Academic Interactions 2

### Agreement:

1. **"Investing in renewable energy is crucial for sustainable development."**
  - **Agreeing Expressions:**
    - "Absolutely, it's essential for our future."
    - "I completely agree, it's the way forward."
    - "Definitely, renewable energy is vital for sustainability."
2. **"Education funding should be a top priority for the government."**
  - **Agreeing Expressions:**
    - "Yes, investing in education is critical."
    - "I couldn't agree more, education is the foundation of progress."
    - "Absolutely, it should be a major focus."
3. **"Tax reforms are necessary to ensure a fair distribution of wealth."**
  - **Agreeing Expressions:**
    - \_\_\_\_\_

### Disagreement:

1. **"Raising taxes on corporations will hurt the economy."**
  - **Disagreeing Expressions:**
    - "I see your point, but I disagree. Raising taxes on corporations can generate revenue...."
    - "I understand your concern, but I don't agree. Many corporations can afford higher taxes..."
    - "I understand why you might think that, but I disagree. Historically, well-structured corporate taxes have not deterred investment..."
2. **"Privatizing social security will lead to better retirement outcomes for individuals."**
  - **Disagreeing Expressions:**
    - "I can see why you might think that, but I disagree. Privatizing social security could expose individuals to market risks..."
    - "I understand your perspective, but I disagree. The current social security system provides a guaranteed benefit, whereas privatization could lead to uncertainty..."
    - "I get where you're coming from, but I don't agree. Privatization might benefit those who are financially savvy, but it could disadvantage lower-income individuals..."
3. **"Cutting public welfare programs will encourage people to find jobs and become self-sufficient."**
  - **Disagreeing Expressions:**
    - \_\_\_\_\_

## Academic Interactions 2

### Inviting further input:

1. **"Implementing a universal basic income could help reduce poverty."**
  - **Inviting Further Input:**
    - "I think universal basic income could be a game-changer in reducing poverty. What are your thoughts on the potential challenges or benefits of such a policy?"
    - "I'm curious about how a universal basic income might impact the economy and job market. How do you think it would affect different sectors?"
    - "This idea of universal basic income is intriguing. What additional factors should we consider to make it effective?"
2. **"Increasing the federal minimum wage to \$15 an hour would improve living standards."**
  - **Inviting Further Input:**
    - "Raising the minimum wage could significantly impact living standards for many workers. How do you think businesses and the economy might respond to this change?"
    - "I believe increasing the minimum wage could help many families. What do you think are the potential drawbacks or benefits we need to consider?"
    - "There's a lot of debate around raising the minimum wage. What other measures do you think could complement this policy to ensure its success?"
3. **"Government investment in renewable energy is essential for combating climate change."**
  - **Inviting Further Input:**
    - \_\_\_\_\_

### Asking for clarification:

1. **"The recent tax reforms will significantly benefit small businesses."**
  - **Asking for Clarification:**
    - "Can you explain how the recent tax reforms will benefit small businesses specifically?"
    - "I'm not entirely sure I understand the impact of these tax reforms on small businesses. Could you clarify which aspects of the reforms are most beneficial?"
    - "Could you provide more details on what these tax reforms entail and how they will affect small businesses?"
2. **"Expanding public healthcare will improve overall health outcomes."**
  - **Asking for Clarification:**
    - \_\_\_\_\_
