

PDP Lesson Brainstorm Worksheet

Use this page to sketch a lesson plan idea for a reading or listening lesson.

1. Lesson Topic / Text:

2. Main Objective (SWBAT...):

1. PRE

Prepare students for the text. Activate interest, build context, and support key vocabulary.

1. Warm-Up / Get Attention

How will you engage students and introduce the topic?

2. Build Context / Prepare for the Text

How will students connect to the topic before reading or listening?

3. Vocabulary / Key Support

What words or ideas need pre-teaching?

2. DURING

Students read or listen and show comprehension through guided activities. Move from easier to more challenging tasks.

1. Comprehension Activity 1

Example: listen/read and circle, match, or choose.

2. Comprehension Activity 2

Example: sequence, identify details, or complete a chart.

3. Comprehension Activity 3

Example: summarize, compare, infer, or analyze.

4. Optional Challenge / Higher-Level Task

How will you extend thinking or deepen comprehension?

3. POST

Extend learning beyond comprehension. Encourage speaking, writing, personalization, or creative response.

1. Extension / Follow-Up

What will students do after understanding the text?

2. Personalization / Production

How can students connect the text to their own ideas, speaking, or writing?

Is the text clear and level-appropriate?

Do the during tasks show comprehension?

Does the post stage extend the lesson meaningfully?
