

## Qualitative Research Questions

### Examples:

- Tell me about your previous EFL teaching experience, e.g. length of time, age of students, setting.
- Before this course, what were your experiences of teacher training?
- Before starting this course, what did you expect to learn on this course?
- What are the most memorable parts of this course that will inform your future teaching?
- How do you think your teaching might have changed due to the content of this course?
- Are there any new ideas or concepts related to education and teaching that you are interested in learning more about?
- What do you think of the balance between theoretical content and practical content?
- Is there anything on this course that you didn't find helpful?
- What do you think is the best way to assess teacher training? e.g. micro-teaching, lesson plans, presentations, etc.
- If you were to do more teacher training, what would you like to know more about?
