Talking About Songs

Giving Opinions

- “I think this song is really catchy and fun to listen to.”
- “In my opinion, the lyrics are deep and meaningful.”
- “This track sounds like something I would hear in a movie.”
- “The beat makes me feel excited and ready to dance.”
- “I feel relaxed when I listen to this song.”
- “This is the kind of song I would listen to when I’m feeling sad/happy.”
- “It’s not my favorite song, but I can see why other people like it.”
- “The song is okay, but the melody gets stuck in my head.”

My comment: _____

Comparing Songs

- “This song is more upbeat than the last one.”
- “The lyrics in this song are more emotional than the other track.”
- “I prefer this song because it has a better rhythm.”
- “Both songs have a good beat, but only this one has interesting lyrics.”
- “The first song was slow and calm, but this one is fast and energetic.”
- “Compared to other songs by this artist, this one is less memorable.”
- “This song reminds me of [another artist/song] because of the similar style.”

My comment: _____

Describing the Music

- “It has a strong drumbeat and a smooth melody.”
- “The vocals are powerful and full of emotion.”
- “There’s a relaxing piano in the background.”
- “The instruments work well together to create a peaceful mood.”
- “The song starts slowly and then builds up energy.”
- “The music is repetitive, but it helps create a hypnotic effect.”
- “There’s a great balance between the lyrics and the beat.”
- “The guitar solo near the end is the highlight of the track.”

My comment: _____

Describing Lyrics or Message

- “The lyrics tell a story about love and heartbreak.”
- “This song has lots of expressions and idioms that are fun to learn.”
- “The message of the song is about believing in yourself.”
- “I didn’t really understand the lyrics, but they sounded cool.”
- “The lyrics are poetic and full of figurative language.”
- “There’s a strong emotional message in the chorus.”

My comment: _____
