# Icebreakers

An 'icebreaker' is an activity, game, or task that is used to warm up the conversation among learners and help them to introduce themselves.

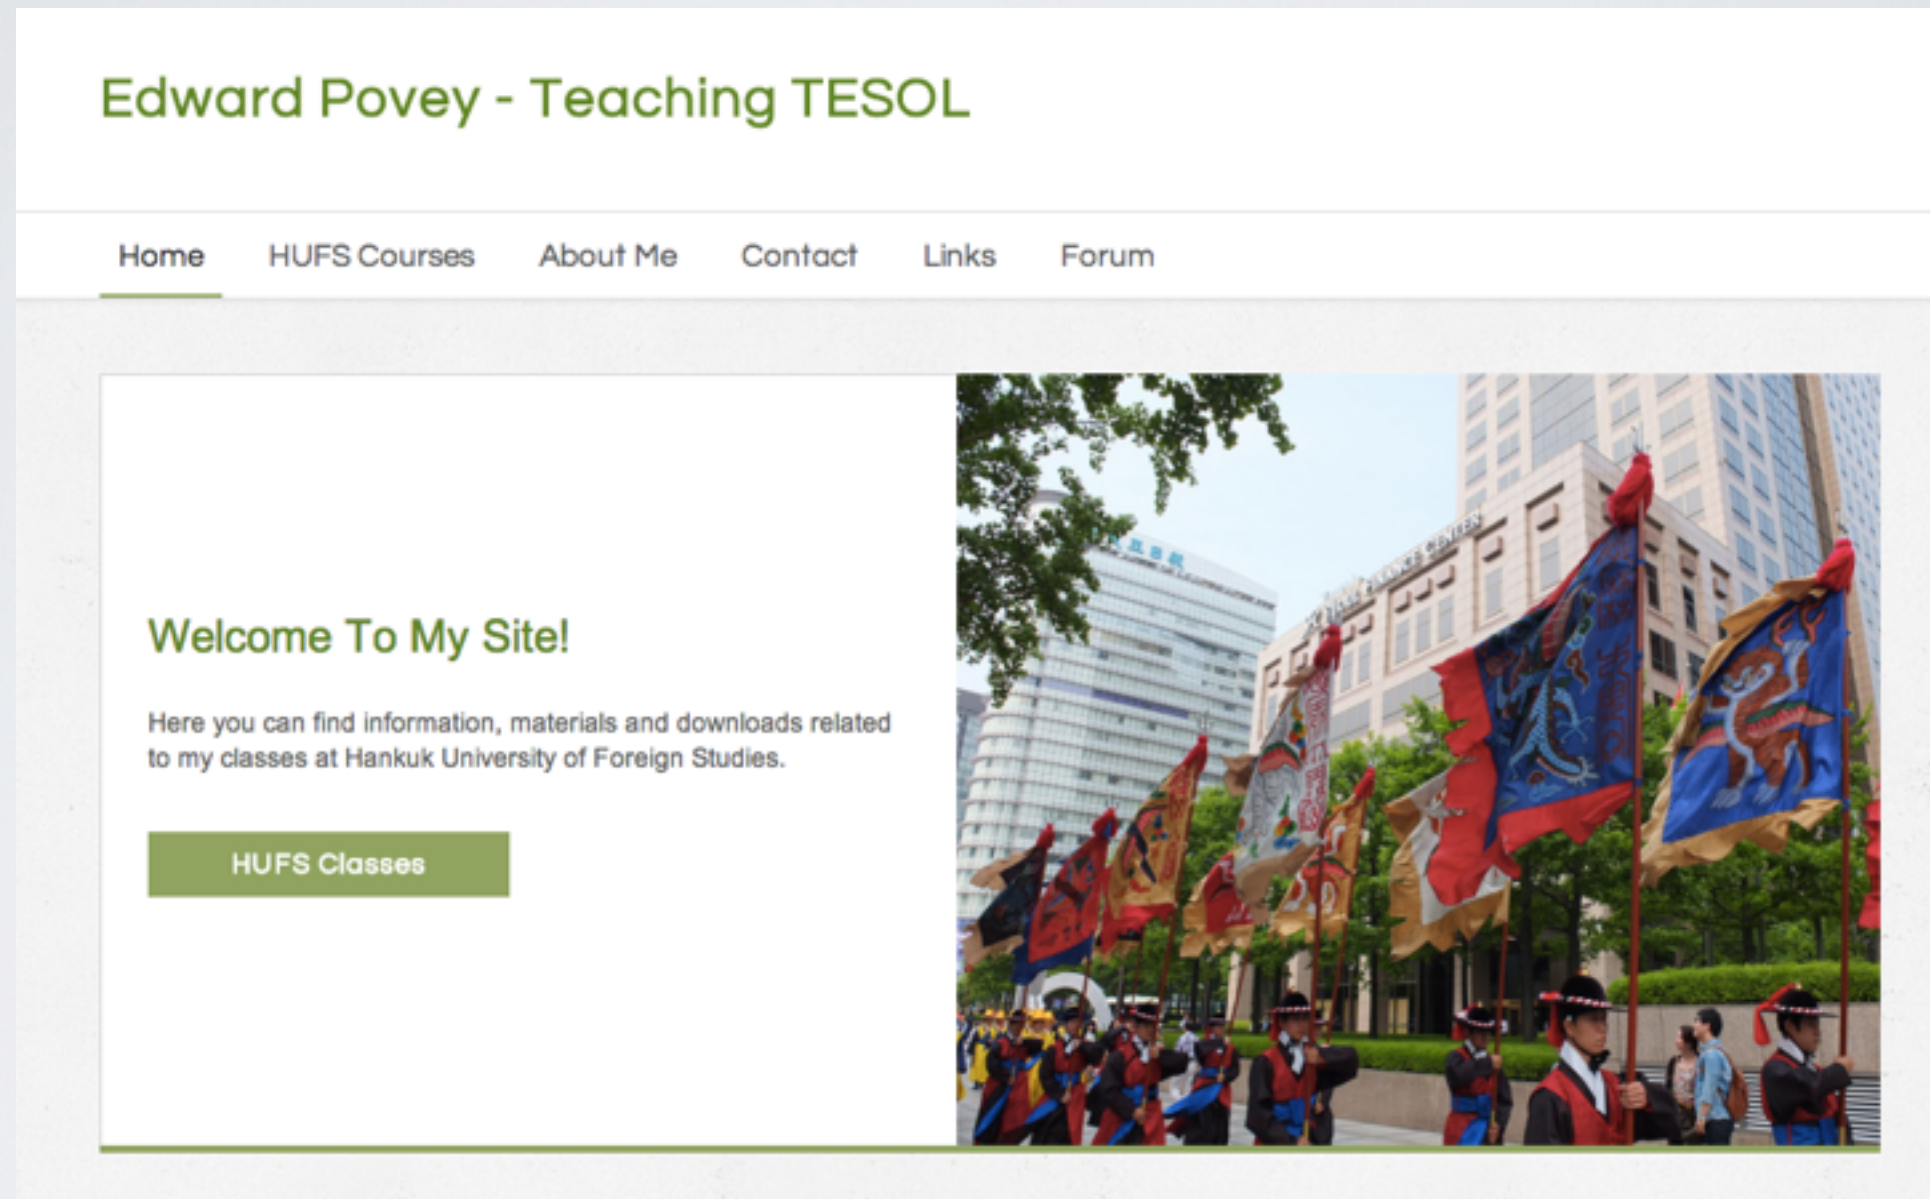

Remembering names

Name Chain game

'English Edward',  
'Pirate Peter' .....

Assign | Share Edit Duplicate Remove

A Brief Overview of 4 Learning Theories

video

There are four multiple choice questions at the end of this video with definitions and examples of each learning theory, so pay attention!

Continue

quiz

0:14 / 05:39

The image shows a screenshot of an interactive learning module. At the top, there are four buttons: 'Assign | Share', 'Edit', 'Duplicate', and 'Remove'. Below these is a video player titled 'A Brief Overview of 4 Learning Theories'. The video content shows a mind map with 'Learning Theories' at the center and four branches labeled 'Behaviorism', 'Cognitivism', 'Constructivism', and 'Connectivism'. A large red box with the word 'video' is overlaid on the video player. To the right of the video player is a blue speech bubble containing the text: 'There are four multiple choice questions at the end of this video with definitions and examples of each learning theory, so pay attention!'. Below the speech bubble is a blue 'Continue' button and a refresh icon. At the bottom right of the video player, there is a large red box with the word 'quiz'. The video player interface includes a play button, a progress bar with a red dot at the start, a timer showing '0:14' out of '05:39', and a full-screen icon. Two green question mark icons are positioned above the progress bar.
